Market Closing.—In the last part of the

day the market was decidedly a little under the influence of the news from Europe.

Trading reports and news in general were bearish, but market was remarkably steady.

There was a slight decline in the price of the leading stocks.

which leaves the profit and loss surplus to Sept. 30 \$220,268.

With today's engagements of \$2,000,000 gold coin for shipment to Canada by several New York banks, the total for this movement amounts to \$12,000,000.

The president of one of the largest independent steel concerns in the West says: "I note that many statements have been made that tariff is not hurting the steel industry. If that is the case, how does it come that Europe is selling steel bars on Pacific coast around \$1 per 100 pounds, Pittsburgh quotations \$1.10, we have had to reduce prices of certain classes of steel \$2 to \$4 per ton in order to keep out European steel."

Louisville and Nashville reports increase for third week of November, \$8,500, and since July 1 earnings have increased \$131,498.

Zimmerman & Porsch quote silver at \$7.74 per ounce and Mexican dollars at 40 cents each, a new low price for the latter.

Chesapeake and Ohio reports earnings declined in third week of November, \$1,357, but since July 1 show an increase of \$474,696.

Chicago and Northwestern's loadings to date decreased only 1,000 cars, mostly ore, but loads from connections decreased nearly 4,000 cars or 10 per cent.

Adams Express Company reports that August earnings decreased compared with previous year, and the deficiency for July and August is \$27,643 greater than it was in 1912 for same period.
